

# Reliable, affordable and convenient.

Imaging, laboratory and pharmacy services offered by Adena Health.

## Imaging

Our advanced technology and imaging modalities deliver the most accurate results. Detect, diagnose or treat injuries and illnesses with our comprehensive imaging services, available at multiple locations.

Schedule an appointment.

## Lab

Get the lab testing you need without having to travel far. With most results available in 24 hours or less and competitive pricing, know you are getting the best testing in the region. No referral or appointment needed.

See services.

## Pharmacy

Prescription needs at your fingertips, including medication synchronization, refill reminders and automatic refills at our pharmacies. Should medication questions arise, get personalized consulting from pharmacy staff.

Fill a prescription.

Our patients are at the center of what we do.
